<b>History</b>			The Great Fire of London  Events beyond living memory that are significant nationally or globally. Compare aspects of life in different periods.  Exploring events leading up to The Great Fire, its causes and why it spread and what London was like afterwards. Finding out about significant people at the time and their roles during and after the fire.	Seaside  Changes within living memory which reveal aspects of change in national life.  Comparing similarities and differences between holidays in the past and now, asking questions, such as: where did/do people go, what did/do they do, how did/do they get there? How have holidays changed over time?			<i>National Curriculum</i> <i>Twinkl Planit Skills Ladder</i> <i>Plan Bee</i>
<b>Geography</b>	Our local area  Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.  Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.				Seaside  Identify seasonal and daily weather patterns in the United Kingdom.  Use basic geographical vocabulary to refer to: key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather.  Know key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop.		<i>National Curriculum</i> <i>Twinkl Planit Skills Ladder</i>
<b>Science</b>	Animals including humans  Linda Buck	Seasonal Changes Autumn & Winter  Using their observations and ideas to suggest	Materials  Alexander Graham Bell	Plants  Carl Linnaeus  Asing simple questions and	Seasonal Changes Spring & Summer Isaac Newton – light & rainbows	Living things and their habitats  Alfred Wallace – Human effects on the natural world	<i>National Curriculum Skills ladder</i>  <i>Twinkl Planit</i>

	Identifying and Classifying	answers to questions	Observing closely, using simple equipment	recognising they can be answered in different ways		Identifying and classifying	
<b>Computing</b>	Programming – Beebots Directions	Computing Systems and networks: Improving mouse skills	Online safety  Algorithms unplugged	Digital Imagery	Introduction to data	Rocket to the moon	<i>National Curriculum Skills ladder Kapow Primary</i>
