Our Value this Half Term: The Essendon Way

Dear Essendon Families,

Are Times Tables Your Super Power?

Children make amazing progress in their maths throughout their time in primary school, but a huge block to fluency and the gateway to being a super mathematician is knowing your times tables. Times tables support understanding of division, fractions and percentages. Practice all the times tables at home by rote, or using songs and playing games. It's so important and it will mean your child will love maths more when they feel comfortable with number facts. Have a look at <https://www.timestables.co.uk/>

Grass Snake!

Pantherswood found a grass snake outside and spent the day building a habitat to observe it and then released it back to the countryside at the end of the day.

Collective Worship

This week in Collective Worship we reflected on making a fresh start after we have made a mistake or done something wrong. We listened to the bible story of Noah's Ark and asked God to help us when we needed to make a new beginning.

Mummification

Harefield enjoyed a hands-on history lesson about mummification, thanks to an artefact loans box from Hertford Museum.

Dates For Your Diary

Thurs 5th Oct – Harvest Service at the church, 2:15pm parents welcome. Foodbank collection.
October – Black History Month
Mon 9th October – School Photos
Half Term – Mon 23rd Oct to Fri 27th Oct
