The Principal's Print

Good afternoon,

Thank you for all your donations For the Harvest Service at St Mary's Church, it was truly wonderful, and great to see so many parents there enjoying the celebration with the school. It was a lovely service with great singing, poems and prayers from all involved. We will be at the church again soon for both Remembrance and Christmas activities. Please look out for details in the coming weeks.

The Children have been busy practising for the Cross County next Wednesday as we go into our final week of the half term . This as well as choosing their disco outfits , and perfecting their dance moves means it will be a spectacular end to a wonderful seven weeks of learning and fun.

I love being your Principal and appreciate all of the support that you have given me. We are making progress and we have only just begun !

Match of the week!

This weeks' match report is from Anay. This week we went to Thundridge School for our match. In a very exciting first half we took the lead for the first time this season. Harry scored a brilliant 25 yarder. However they fought back well and it was one all at half time. Jenson could not miss a tackle and he had his best game. In the second half we sadly let two goals in and if Ralph had not been so good it would have been double figures. Carter got one back but in the end we lost 3:2. Well played Essendon-Keep your spirits up !
