The Principal's Print

Good afternoon,

What a great week back the children are more focussed and ready to learn, so thank you for your support.

The Autumnal Disco was a huge success—if you have any comments or areas we can improve please let Ellie know so we can keep making things better for the children.

Next week Reverend Theresa is coming in for our remembrance Assembly and some of the children will place poppies at the Village memorial where we will say a prayer. We are also singing at the coffee morning.

We are looking forward to mad hair day -to show we care for Children in Need.

Mrs Brennan | Principal

Match of the week!

Table Tennis –This week ten pupil represented the school in a local Competition. The boys were 7th in the county and the girls were 5th. Well done to all

House Winners
