

The Essendon Echo

Issue 7

14.11.25

The Principal's Print

Good afternoon,

It has been a lovely week with lots going on at the school culminating in a wonderful Children In Need day after an equally fabulous Remembrance day Assembly and trip to the local memorial during the week. Thanks for making sure the wonderful pupils all dressed up. Thanks also for the donations and biscuits. Some of the hair on show was absolutely spectacular. We even had a Christmas Tree !!!!!

Reverend Theresa really enjoyed her visit to the school and we also showed our singing progress at the local coffee morning on Friday, where we sang War-time songs. The people from the village commented on how wonderful the voices of the children were. The local church even opened up especially for Diamond class so that they could see the poppies and remember those that gave their lives for their country.

We have had two sporting events this week as well so watch out for the details on those. Essendon is fast becoming a new home of PE!!!!
The School Council is also up and running now and we are encouraging pupil voice to really make a difference to our lovely school. Have a great weekend.

Mrs Brennan | Principal

Match of the week!

This week we took ten children to Presdales school in Ware to take part in the Borough wide basketball competition. It was a fabulous and very competitive event of a very high standard. It was fast and furious and eventually our girls came 5th in the Borough and our boys came 7th. Most importantly other schools are noticing that Essendon School turns up and competes in every sport possible. We are also always the first to say a big thank you to all who organize these wonderful events for us. We will continue to try every sport that we can as the year progresses.

House Winners-

1st place	Maple	0 points
2nd Place	Elm	0 points
3rd Place	Oak	0 points

Gems of the Week

Ruby	Richard
Emerald	Theo
Sapphire	Jack
