

The Essendon Echo

Issue 14 23.1.26

The Principal's Print

Good afternoon,

What a fabulous week that was! Despite the rain the children have continued their brilliant work effort and continue to show our current values of Independence and Perseverance. They have managed a week of wet breaks without any issues and have settled down to their work each day with a smile on their face. The staff have also been outstanding and some have come into school despite not being 100%-sheer dedication and it is so appreciated. It is an honour to be the Principal of this school.

Next week we wish Diamond class a very happy school journey to Norfolk Lakes which we know will be action packed. Whilst they are away the children will be working with Mr Sousa, Mrs Boswell and Miss Holding to prepare for our first netball match against Sacred Heart when we return. The football league will also begin again and we have the Dance Festival to prepare for. We are a very sporty school and we have only just begun !

Speaking of Diamond class we are very proud to announce that Amaaira Sharma has recently won a scholarship at the wonderful Queenswood School. One of the best girl schools in the country. She did this by passing some tests and by being interviewed-both of which she passed with flying colours. Well done Amaaira, Essendon is extremely proud of you. What a week! What a school!

TimesTables Rock Stars Winners- Spring Term-

We are having a House battle!
May the best house win!

House Champs-Spring-3

1st place	Maple	95
2nd Place	Oak	82
3rd Place	Elm	69
