

# The Essendon Echo

Issue 20 27.3.26 Spring 4

## The Principal's Print

Good afternoon,

Another term has simply flown by at Essendon and before you know it -we are all ready to celebrate Easter and the resurrection of our lord Jesus Christ!

The children have been creating and composing various Easter items and this was celebrated in a lovely Easter Showcase, with songs performed by our choir, and a variety of poems and crafts full of Easter promise and hope. A special well done to the choir who then performed at the local "Coffee Morning" in the Village hall . The audience absolutely loved it and were asking for more. Look out for the Summer Showcase we have planned!!!! Britains Got Talent-Eat your Heart Out!!!!

As mentioned previously, we are constantly looking at ways to raise our academic expectations, and it is pleasing to announce that the school data is looking very healthy indeed. The pupils are coming along very nicely but please feel free to let us know how we can push your child more. Well done to the Year 6 Booster group who have been doing extra early morning sessions and have been completing lots of essential homework. Keep it up ! It is making a huge difference! The children of Year 5/6 represented the school at Netball in our first ever tournament of any kind for many years and did very well. We have also taken part in the District Football for both boys and girls. Next term sees "Cross country" and athletics take centre stage. We have now taken part in 11 separate competitions or tournaments; more than any other school in Hertfordshire. I hope you have a restful and joyous Easter and that you come back to school ready to learn in the glorious sunshine. All the best and thanks as always for your ongoing support.
