## The Principal's Print

Good afternoon and welcome back to the Summer term.

The Year 6 cohort rose brilliantly to the challenge of the SATS and the whole school are very proud of them. They enjoyed an Ice Cream treat this afternoon, and we would like to thank the Parents and Teacher's Association for that. We await the results in June with baited breath. The Year 4 cohort continue to get ready to take on the task of becoming confident with their times tables in the forthcoming National Tests. Go Year 4! If everyone keeps on doing their TTRS then it will be a lot easier. Please keep up the reading with your children and asking about what they have been learning at school. They should be able to tell you something brand new every day.

The new school tradition of "Beach Day" continues to edge closer. Please ensure all payments have been made. It is going to be the greatest trip in the school's history and it will be the impetus for some brilliant art, writing and design activities-in the days after. Sports events begin again next week with Rugby on the Tuesday and Tennis on the Thursday. Back in the swing of sport!!!!

Sports week is finally upon us so please ensure that the pupils are able to do PE everyday in what they wear to school. On Friday "Sports Day" is now taking place at the cricket club and it will begin at 1.30. It is predicted to be sunny and 25 degrees so please ensure they have lots of suncream and protective clothing all sorted. There will be a carousel of activities, followed by a sprint challenge to finish. It would be lovely to finish with some parent races so start getting fit if you fancy your chances. This year there may well be a few surprises as it is the first event run by Mr Brennan who likes to do things a bit differently –but it will certainly be fun.

Enjoy the weekend and let's hope the sun comes out !!!!!
