

The Essendon Echo

11.6.26 Summer

The Principal's Print

Good afternoon,

Another two weeks have simply flown by at Essendon and even the sun came out today for the first time since coming back from the half term break. Sports Day was an absolute blast and thanks for all the enthusiasm and participation on the day. The highlight for me was definitely the parents races. The ground literally shook with the intense competition.

This week we had the phonics check in Key Stage 1 and the National Multiplication check in Year 4. I was very pleased with the approach and attitude of the children towards the tests and we expect some excellent results in the near future. We need to improve the reputation of our school academically as we now believe we are able to offer a near private standard of Education due to the class sizes. Please spread the word to friends about the school so that we can attract more kids to come here. The team have created a very happy and vibrant school at the moment and we would like to see more kids benefit from all the wonderful things that we do. If you have any ideas on how to attract more children then pop into the office and let us know.

Thanks very much for all your support so far this year and please ensure that you save the date on the 3rd July for our wonderful Summer Fair. All the very best.

Mrs Brennan | Principal
